BOURNEMOUTH

Bournemouth is located on the southern coast of England and enjoys a mild climate. With seven miles of golden sand and sparkling sea, only a short walk from the school, this vibrant cosmopolitan town has it all.

Bournemouth is famous for its entertainment venues, educational and sports facilities, and its restful atmosphere. Founded in 1800, the town has grown into a resort which is characterized by its wide, tree-lined avenues and pedestrian areas. Victorian architecture is complemented by beautiful gardens, modern stores, cafes and eateries. Visitors are sure to have a wonderful time.

THE SCHOOL

The schools used for this program will vary depending on the availability of places and time of year. We make sure that the programme does not coincide with exam time. Our programme gives students the opportunity to attend a local school along with British students.

You will be studying the English curriculum and will have the opportunity to take part in after school clubs and activities. Perfect for anyone looking to experience a fully Integrated programme either to improve their English or experience life as a British student.

Location & Facilities (Sample School)

- Large specialist in the technology field
- 2 food technology rooms
- 4 technology workshops
- Graphic studios and an electronic room with state-of-the-art equipment
- 13 well-equipped science laboratories
- 8 maths rooms with smart boards
- Drama studios
- 3 art rooms and an extensive music suite
- Large sports hall with a multigym, grass and tennis courts.

THE PROGRAMME

This programme is designed for INDIVIDUALS OR GROUPS of students who want to come to the UK to experience life as an English student. They will study in a British school with British students for a period of 1 to 7 weeks. Participants will have the invaluable opportunity to join the daily routine of a student's life in England. Students will be paired with a "buddy", a British student attending the school who will share the same timetable and show them around the school as well as introduce them to their friends. Students will attend classes of Geography, history, sports, baking and so much more.

IMPORTANT NOTE FOR SCHOOL GROUPS:

An ideal group would be no larger than 15 students and join the programme for a maximum of 7 weeks. Larger groups might need to be split over various schools. This will allow to maximize integration with local students and avoid disruption of the school routine.

ACCOMMODATION & TRANSFER

Host Family Accommodation

We offer homestay accommodation as this is the best way to practise your English and learn more about life in the UK. Our host families will provide all the necessary assistance.
